

PRESS RELEASE: 01 March 2018

The Khajana Unveiling At Guru Nanak Gurdwara, Smethwick

The Wahegru Foundation launches its new initiative, The Khajana at Guru Nanak Gurdwara, Smethwick

After **two years worth of research** and effort in compiling The Khajana, The Khajana has now been **unveiled at Guru Nanak Gurdwara Smethwick** as part of **Guru Nanak Museum's permanent exhibition**.

In **showcasing 287 years of history**, The Khajana portrays over **780 historical facts** from Sikh history in bite-size, easy to absorb information cells. As the Wahegru Foundation team have worked to reference and cross reference the information contained within The Khajana from **79 different sources**, the timeline itself relays both **the struggles and victories that have given birth to the Sikh nation of the Khalsa**.

On behalf of the Wahegru Foundation, we would like to express our **gratitude and appreciation** as we thank Guru Nanak Gurdwara, Smethwick for housing The Khajana and giving their full support towards the project, and to all the sangat who came to witness its unveiling.

We would also like to give a special thanks to **Jasprit Singh** for hosting the unveiling of The Khajana and **Jagtar Singh**, Secretary General of the **Sikh Council UK**, for gracing the Wahegru Foundation with his support and cooperation in order to showcase The Khajana at Gurdwaras across the UK.

*"On behalf of the Sikh Council UK, it is our request to the **Wahegru Foundation to take this timeline worldwide**. I don't think that nobody else has made this effort. **Today is a historic day**, so to the Wahegru Foundation, a huge **heartfelt congratulations**. From the Sikh Council UK, we will be telling Gurdwaras that they should come to view this and approach the Wahegru Foundation to have this displayed in their Gurdwaras."*

- Jagtar Singh, Secretary General, Sikh Council UK

It is our humblest request to all to visit Guru Nanak Gurdwara Smethwick to view The Khajana and to take in **the glory of Sikh Heritage over the last three centuries**.

Once again, we would like to express how **humbled** we are at the response received from the sangat.
